Bodog Fight is pleased to introduce its newest mixed martial arts series from the shores of sunny Costa Rica. Bodog Fight: Paradise Lost premieres next Tuesday, June 26th at 11 p.m. / 10 p.m. Central in more than 90 million U.S. homes on ION television and in Canada on The Fight Network. So what does this series have in common with John Milton's classic 17th Century poem of the same name? Absolutely nothing!

Unlike Milton's classic about the fall of man, Bodog Fight: Paradise Lost is not a biblical struggle between good and evil, but it does promise to deliver some epic MMA battles inside the ring, according to Bodog.com Entertainment founder and series creator Calvin Ayre.

"This is the fourth season of the Bodog Fight series and it just keeps getting better," said Ayre. "It's a winning combination: big fights and small bikinis from an exotic location." Bodog Fight: Paradise Lost features some of the world's best MMA athletes, like Daniel Puder, Chael Sonnen, Tara LaRosa, and Carina "Beauty But The Beast" Damm to name a few.
