The Oklahoma State Cowboys have traveled to Lubbock, Texas for a showdown with the undefeated Texas Tech Red Raiders this evening. The game is set to kick off at 8:00pm ET and will be broadcast live on ABC. College football betting odds at Sportsbook.com are favoring the number two ranked Red Raiders by -3.5.

Oklahoma State, currently ranked ninth in the AP poll, has just one blemish on their record, a 28-24 loss at the hands of the Longhorns two weeks ago in Austin, TX. Last Saturday the Pokes rebounded from that defeat by drilling the Iowa State Cyclones 59-17 in Stillwater.

On the season, Mike Gundy's squad is averaging over 45 points per game and 512 yards per outing. Oklahoma State rushes for an average of 273.2 yards per game and their backfield features the Big 12's leading rusher, Kendall Hunter.

Texas Tech won the biggest game in the school's history last week when the upset then number one ranked Texas 39-33. Tech secured the winning score when Graham Harrell connected with Michael Crabtree for a 28 yard touchdown with just a few seconds left on the clock. While the team no doubt enjoyed the big victory, they did not have much time to savor it with Oklahoma State next in line.

Mike Leach's team is averaging over 420 yards passing per game and they are holding team's to just 98.7 yards per game on the ground.

College Football Betting Trend: The Under is 8-2 in Oklahoma State's last 10 games as a road dog versus a Big 12 opponent with a total of 54.5 or more.

Sportsbook.com's Oklahoma State vs Texas Tech Betting Odds:

Oklahoma State +3.5 (-105), Over 69 (-110), +145 (Money line)
