No. 17 Ball State Cardinals at Central Michigan Chippewas College Football Pick: Betting Line-Ball State -6 1/2 (Total 56); Television ESPN2; Kickoff 7 pm ET. Betting odds provided by Sportsbook.com.

The undefeated Ball State Cardinals football team (10-0, 6-0 MAC) and currently and -250 moneyline favorites with a 56 total. Chippewa backers are getting +210 moneyline odds as a home underdog.

The Chippewas have been a gamblers friend when playing as an underdog this season, covering the betting spread 4-of-5 time as an underdog and winning three of those games straight up.

Playing as the favorite, the Chippewas only picked up one win ATS while failing to cover the spread twice with one push.

Ball State has done well for its wagering backers in covering 7-of-9 games ATS and winning all SU. The Cardinals have been solid covering games with small point spreads going 5-0 ATS when the spread was less than 10. When the point spread was greater than 10 Ball State was 2-2 ATS.
