Point-Spreads.com recommends bettors looking for Free Sports Picks or looking to Buy Sports Picks checkout our approved Sports Handicapping Experts listed below.

DocSports.com - When you deal with Doc's Sports service for free sports picks or to buy sports picks, you're dealing with a recognized leader and trusted name in the sports handicapping industry. Doc (Morey Moseman) has been the founder and sole owner of his company since 1971 and has built his solid reputation with honesty and hard work, no gimmicks or false advertising; and he will always tell it like it is win or lose. Maintaining a small operation keeps Doc Sports closely in touch with their customers' needs. They monitor their competition and always make sure they take better care of their clients than any other sports handicapping service. There is no major secret to their success except that they consistently deliver winning free sports picks and winning sports picks. By doing business the right way in a industry with several less than reputable operations, Doc continues to grow and improve their service to their clients. The bottom line is that sports bettors will enjoy building a relationship with Doc Sports Service. Click here for Winning Sports Picks from Doc's Sports Service.
