Arkansas vs. Florida College Football Picks: The Arkansas Razorbacks would like to continue their current trend - that is to defeat another undefeated football team. The Hogs are 2-0 in as many weeks against undefeated FBS teams. In Week 5 Arkansas ripped Texas A&M at new Dallas Cowboys Stadium and followed that win with a Week 6 hammering of 5-0 No. 17 Auburn in Fayetteville. If Arkansas pull off a win today, they will really get some attention since their opponent is No. 1 Florida. The Gators and Hogs will kick it off at 3:30 pm ET in a game that will be televised by CBS from the Florida Field at Ben Hill Griffin Stadium.

College football picks oddsmakers at SBGglobal.com.com list Florida as heavy 24 1/2-chalk ATS favorites versus the Razorbacks with a 58 total. SBG Global oddsmakers have opted to leave moneyline odds OFF the board.

Some pundits have said today's game could be a trap for the Gators by noting the prowess of Arkansas' explosive offense, leading the SEC in passing (318.2 yards per game) and an improving defense. The Hogs held two of the nations leading offenses, Texas A&M and Auburn to 42 total points in back to back weeks. Also pundits think the Gators might lose a mental edge following their huge 13-3 victory over LSU in Baton Rouge last week.

The contest matches the top rushing offense in the SEC, with Florida's 284.6 yards per game on the ground, and the conference's most prolific passing offense, as Arkansas has tallied 318.2 yards per game through the air.

College Football Picks: Florida might be No. 1 but the Hogs have got things working right now. While the Gators should win today's game, look for the Razorbacks to cover the 24 1/2 chalk.
