North Carolina State vs. Florida State College Football Picks: It would not be an understatement to say that both the Florida State Seminoles and North Carolina State Wolfpack football programs have been a disappointment in 2009. Here we are heading into the ninth Saturday of the campaign and neither the Seminoles or Wolfpack are significant in the ACC football race. Today, with a Noon ET kickoff, Florida State will host the Wolfpack in a crucial ACC Atlantic Division battle between the two schools where the winner has a good chance of getting back into the league battle.

College football picks oddsmakers at online super sportsbook Bodog.com are listing Florida State as 10-chalk favorites with a 64 total. Wolfpack backers are getting +350 moneyline odds as the underdog while Florida State is giving -500 on the Bodog moneyline.

Russell Wilson threw for one touchdown and rushed for another for N.C. State in a 52-20 loss to Boston College in Week 7. The Wolfpack did not cover the 7.5-point spread, while the final score played OVER the day's posted total of 47.5.

Florida State scored 24 points in the second half and came away with a 30-27 victory over the North Carolina in Week 8 as 2-point underdogs. The 57 points sailed OVER the posted total of 48. Christian Ponder went 33-for-40 with 395 yards passing and three TDs to lead Florida State in that win.

College Football Picks: FSU will take advantage of a weak Wolfpack defense in this game. Take the Noles -10.
